Mila - DE account (DE slides)

Format: What I'd grab from the new set: coming-soon picks for rippers vs collectors (beginner guide) Intensity: medium
Why this angle today: Playful, curiosity-led beginner guide: 'if you only buy one thing from the new set, here's what I'd grab' split by ripper vs collector. The German Wachsendes Chaos products are 'Coming soon', so the natural slide-4 + CTA touch is a light 'they're coming back soon - alert on'. Warm, relatable voice with curiosity hook.
